Dear Prospective Eagle Rock Family,

Thank you for your inquiry regarding **Eagle Rock K-5 Multi-Age Program (ERMA)**. The enclosed information provides you with a summary of the program and some operational details, **including the steps you must follow for our enrollment procedures**. Please keep this information packet for your reference and **return all application materials to the above address by March 5, 2021**.

The **Eagle Rock K-5 Multi-Age Program** is a public elementary school lottery program. Staff, parents, and administrators work cooperatively to provide this program for families in the Riverview School District. Teachers are certificated Riverview School District Employees.

We believe that children should have the opportunity to develop strong academic skills, a high level of self-worth, personal responsibility, and a love for learning. Developmental readiness is a primary consideration for student learning. These beliefs are the foundation for the integrated curriculum offered in an environment of trust and non-competitiveness.

At Eagle Rock, you will see teaching and learning in multi-age (more than one grade level combined) classrooms using a variety of effective hands-on, minds-on teaching methods. Learning occurs across grade levels and students work cooperatively as a learning community. The high percentage of parent participation helps facilitate small group instruction and enriches curricular opportunities. Students' social and emotional growth is a strong focus as they learn to make wise choices and take responsibility for their own learning and behavior. Field trips, frequent guest speakers, and thematic based instruction are an integral part of our program.

Our application process is open to students of all abilities on a "lottery basis," with consideration given to the educational needs of your students. Applications will be accepted **January 4th through March 5th** for the 2021-2022 school year. Families that complete the entire application process and attend all required (virtual) visitations and Virtual Parent Information Night will be entered into our lottery.

Enclosed you will find the Application Form, Parent Survey, and Family Commitment Agreement. In addition, you will find other valuable information about our program and our application and selection procedures. **To be considered for this program, please complete and return all three forms to the address above by March 5th, 2021.**

Thank you for your interest and we look forward to meeting with you.

Sincerely,

Principal, Eagle Rock Multi-Age
